Agenda:

Zoran has two proposals that John Cleave has seconded and asked me to put before you for comment and then voting. The first needs immediate attention as time is getting short and a notice should already be out.

1. The issue of a Pre-Notice of Race for the IOM Europeans by the organizer with note that Championship Regulation 2002, IOM Class Rules 2002, and Racing System 2002 will apply. The final versions of these documents will be decided on Jan PC meeting, after which final NoR will be issued.

The second also needs prompt attention, as this also is a late application that ZG only received last week. Zoran has a copy of the returned questionnaire should you have any questions and I believe there is a video that we may be able to see in January. However a decision needs to be made now.

2. Organization of M World Championship in Porto Corsini - Ravenna (ITA) in September 2002. Exact dates to be confirmed.
