19 January 2001

Dear Division Member,

## **General Assembly Business**

Please find enclosed the list of motions for the General Assembly, a copy of the Regulations (ref Motion 13) and a letter from the RSD Chairman. Amendments and Nominations for Officers must be with me by the 19<sup>th</sup> February '01.

## **Other Matters**

You have already been advised of your subscription details to RSD for this year, but may I please remind you that payment is now due. The closing date for entries to the IOM WC in Croatia is 12<sup>th</sup> February and entries will not be accepted from DMs whose subscription has not been paid.

May I also draw to your attention the Championship Regulations 6.1.5 which states that entries should only be submitted if the DM guarantees payment and that payment is required whether the competitor races or not.

This rule was infringed at both events last year and competitors from the DMs concerned will not be able to enter until the levy arrears to RSD are paid. The DMs concerned will be notified by email separately.

If you have any questions please get in touch.

Regards

Keith Skipper  
General Secretary / Treasurer
