I S A F  
AFFILIATE MEMBER

John Cleave  
RSD Chairman

18 January 2001

To all Division Members

## **Nominations to the Permanent Committee**

All members of the PC retire at the General Assembly in Croatia in May. With the exception of the Chairman of the Technical Committee (CTC), they are all willing to stand again. This does not, of course, mean that no one can stand against them; nominations are welcomed for all posts. However we will find it very difficult to operate without a new CTC, and your nomination(s) to fill this post will be extremely welcome.

It would be a great help, if you choose to nominate a new member to the PC, if you would enclose with your nomination a CV/ Resume detailing the experience of the nominee. This will enable DMs to make an informed choice when they come to vote.

May I also draw your attention to a motion to be voted on at the GA, which will make it a prerequisite for all committee members to have an E-mail facility? I would therefore be very grateful if you did not nominate anyone who does not have E-mail facilities.

You should also be aware that now is the time to nominate any new members to the other committees of RSD, they are: -

Organisation and Policy Committee (this one in particular is short of members)  
Racing Rules Committee  
Technical Committee

A handwritten signature in black ink, appearing to read 'John Cleave', with a horizontal line underneath.

John Cleave
