

# RM EUROPEAN GRAND PRIX 2011

In the UK the Guildford Model Yacht Club has organised a new series of events for the Marblehead, known as **GAMES**, but you may not be aware that through the efforts of Chris Vaes, the **Marblehead Euro Grand Prix** series has been revived with the same objective, to promote the Marblehead class.

The Euro Grand Prix series for Marbleheads was popular 10 or 15 years ago and by reviving it Chris hopes to create more interest and further international competitions.

IRSA will support this promotion along with their activities concerning the established A, Marblehead, 10Rater and IOM internationally recognised classes. The creation of regular and really good international events with entries from several countries, can only help create understanding and encourage the extension of the IRSA family to include the Laser, Micro Magic and Footy classes who are also running international competitions.

We hope you will give your support to these Grand Prix events and enter via the contacts shown below. Hurry up as the first event is in late March.

There are high hopes of a RM World Championship being organised in France during the Autumn of 2012, so freshen up your RM, order the new sails and get in the groove for 2012 by competing in the 2011 events.

Tight sheets and full sails to you all.
