PRESS RELEASE

World Radio Marblehead Championship 11th to 20th October 2012

IRSA have awarded the 2012 World Radio Marblehead Championship to the Club Nautique, Ploermel in the Lac au Duc region of France.

We are delighted that this prestigious event will be hosted by this established Club in delightful surroundings based around a splendid lake, with an excellent clubhouse and recently extended launching pontoon.

The skippers are not the only ones who will be well catered for as the surrounding area provides not only excellent picnic, nature and beach facilities but also the city centre of Ploermel where the families can enjoy themselves.

IRSA wishes all the competitors and organisers an enjoyable and successful Regatta.

Further details of IRSA activities are on our website www.rudiosailing.org where you can also find a link to the host site for this exciting event.

Robert Hobbs, Publicity Officer, 8th August 2012
