Voting on the Motions

See attached - Motions to the 2009 General Assembly – for the full text of motion	For	Against
Motion 1 Australia propose the following motion:- "That the Permanent Committee, in consultation with Division Members, conduct a review of radio sailing to establish the future directions of the sport and that an invitation be extended to IOMICA to become involved in the process.		
Motion 2 The PC proposes the following motion:- "All monies held by the RSD shall be returned to the Division Members in the proportion of each DM's annual subscription."		

Signature of a Senior Officer

Please return your votes to me by the 19th November '09 either on this form or via email, please make sure if using email that your voting clearly understandable. The vote can only be accepted from a Senior Officer of the Division Member, either by signature on this returned form or from the email address of the Senior Member.

Keith Skipper
