Agenda: Proposed new Racing System HMS 2002

You will remember that a subcommittee of ZG, DC & JC was appointed at the January PC Meeting to have a look at the HMS and check that it was suitable for use at Fleetwood. This committee found a number of what they considered to be errors. The result of this was that the MYA has completely rewritten HMS and renamed it HMS 2002. This has eradicated the perceived errors and improved the wording. Your subcommittee unanimously recommends that this become an RSD approved system for this year.

Proposed by JC
Seconded by ZG & DC

'That HMS 2002 be adopted as an approved ISAF RSD Racing System.'

The vote was in favour of the proposal.
