### Agenda:

To consider a request for dispensation from Alec Newald Black Magic Sails received 16<sup>th</sup> Jan '03.  
Referring to Interpretation 2002- IOM -2.

The quantity of produced sails and cost of transportation to and from existing customers is prohibitive. So I would like to claim dispensation for both myself and those owners to continue to use the sails made previous to this ruling for at least there effective racing life span.

After discussions it was proposed by John Cleave  
and seconded by Keith Skipper

That the request for a dispensation for the BM sails be rejected.

The proposal was carried.
